Approved For Release 2000/06/06: CIA-RDP78-06505AQQ0100020024-8

ATTACHMENT #II

l. Headquarters uses a system of assigning projects chronologically with a suffix which indicates fiscal year approved and funded followed by a capital letter C. The project numbers assigned locally to FY 69 projects in Attachment #I are chronological with a suffix letter (A) for country followed by 69. Code for letters used are as follows:

25X1A

2. This is the system being used by the Laos Station Engineer.
